

CREATED FOR GREATNESS

WE NEED YOU!

Community-based mentorship allows young people to develop lasting relationships with caring adults , creating a generation of middle schoolers who are connected to their community, feel a sense of self-confidence and know they are not alone.

A MENTOR IS SOMEONE WHO CAN...

- ✓ Feel comfortable getting to know young people
- ✓ Act as an intergenerational bridge-builder
- ✓ Offer support and encouragement
- ✓ Be approachable and open-minded
- ✓ Commit to 2 or more days a month
- ✓ Share life and work experiences

OUR MISSION

Created for Greatness' mission is to build a spirit of community in Pottstown by facilitating relational connection between adults and young people to cultivate friendships, learn from one another, and create trust and respect across generations.

OUR VISION

Youth and adults will live, act and thrive in a community that embodies equity and opportunity for all its citizens.

CREATED FOR GREATNESS...

Created for Greatness works with young people to build multi-generational trust and respect, ensure young people feel they have a voice in the co-creation of their community, and provides community connections that nurture social capital and enable young people to meet their goals.

THE CHILDREN WE PARTNER ALONGSIDE ARE:

- Middle-school aged youth
- Young people residing in the Pottstown/Pottsgrove area
- From diverse backgrounds
- Experiencing varied degrees of adversity
- Interested in developing connections with neighbors in their community

Middle school age children struggle to balance hormonal, physical, emotional and developmental changes, while coping with multiple life challenges.

COMMUNITY-BASED MENTORING PROVIDES THE FOLLOWING BENEFITS...

- Forge meaningful friendships with youth in your community
- Encourage young people to set goals and pursue their dreams
- Learn about what interests youth – today
- Build connection with young people to build a stronger Pottstown-area community
