

## Welcome to STRIVE's Community Conversation Event,

We wish it were possible to have these discussions in person, but for now, please join us in conversation by filling out the questionnaire below.

With your responses we will be able to get a better idea of what YOU think, and what we can do to address systemic racism and other important issues that affect our community. We are determined to continue these important discussions and appreciate your participation.

We hope you are inspired after today's event to continue to do your part in making our community a better place for all people!

Enjoy the movie!
